Safety Guidelines

- Please follow the instructions in this manual, do not disassemble or modify the device for any reason, otherwise it may cause the earphones to malfunction or burn
- Do not infiltrate the product into any liquid or water to rinse the product
- Do not use a charger other than the rated current and voltage of the headset (5V/1A) to charge the headset, otherwise It is easy to cause damage to the earphones battery (please use the matching charging cable to charge the earphones)
- Please use and store this product in a normal temperature environment, do not place the device in an environment where the temperature is too low or too high (below 0 or above 45°)
- Do not block the openings of the headset, such as the charging port, indicator light and microphone, etc
- Please avoid using headphones at excessive volume or for too long to avoid dizziness or damage to hearing
- Do not use the device under thunderstorm weather, which may cause the device to work abnormally and the signal to be interrupted.

Warranty Information

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months. If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose. This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure. To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim. Any expenses relating to the return of your product to the store will normally have to be paid by you. The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.
