# Data Sheet

## Battery DC-1090

---

### General description

---

Rechargeable Li-Ion Battery Pack for UHF Handheld Radio

---

### Technical data

Has Overcharge, Over-Discharge, Over Current, and Shorts-Circuit Protection Circuit

---

Voltage	7.4VDC
Capacity	1350mAh Li-Ion
Max. Charging Current	675mA
Max. Charging Voltage	8.4V

---

### Shipping information

EAN-13	9319236745120
--------	---------------

---

### Compatible with the following products

- Digitech DC-1068
  - Digitech DC-1069
-
