Suitable for STARLINK® MINI

Instruction Manual

Please read and save all instructions to ensure safe and effective use of this product.

BOX CONTENTS

1 x Protective Case
4 x Suction Cup Mounts

INSTALLATION

1. Remove the screws from each corner of the protective case.

2. Remove the triangular corner pieces from each corner of the protective case.

3. Place your Starlink® Mini into the protective case with the flat side facing down.

4. Refit the triangular corner pieces to each corner ensuring they are correctly positioned over the Starlink® Mini.

5. Reinsert the screws and tighten them securely to hold the Starlink® Mini firmly in place.

6. Attach the suction cup mounts to the front or rear side of the protective case depending on your preferred orientation. Tighten each suction cup mount securely by hand.

7. Press each suction cup mount firmly against a clean and dry surface. Tighten each adjustment knob located on the side of the suction cup until it is securely in place.

8. Press down the release lever to lock the suction cup against the surface.

9. To remove the suction cups from the surface, lift the release lever and then pull the release tab located at the bottom of the suction cup while lifting away from the surface.
