Suitable for STARLINK® MINI

Instruction Manual

Please read and save all instructions to ensure safe and effective use of this product.

BOX CONTENTS:

1 x Pole Clamp Mount

4 x M6 30mm Screws (20-32mm Poles)

4 x M6 40mm Screws (33-42mm Poles)

4 x M6 40mm Screws (43-50mm Poles)

1 x Locking Screw

2 x Allen Keys

INSTALLATION

Horizontal Mounting

1. Align the two bracket halves in a horizontal orientation, ensuring the tabs lock into place.

2. Insert the large locking screws with the spring washers and tighten them securely.

3. Position the bracket around the horizontal pole and attach the bottom cover.

4. Select the appropriate screw length according to your pole's diameter:

- **M6 x 30 mm** for 20–32 mm poles
- **M6 x 40 mm** for 33–42 mm poles
- **M6 x 55 mm** for 43–50 mm poles

5. Tighten the mounting screws evenly until the bracket is securely clamped to the pole. Insert the mounting tube into the bracket.

6. Feed the Starlink® Mini cable through the Starlink® Mini pipe adaptor.
Note: Installation requires the Starlink® Mini pipe adaptor supplied with the original Starlink® Mini kit.

7. Slide the Starlink® Mini pipe adaptor onto the mounting tube until it clicks securely into place.

8. Check that the Starlink® Mini pipe adaptor is fully engaged and securely locked before use.

9. Tighten the rear locking screws to complete the installation to ensure the mount is securely fastened.

Vertical Mounting

1. Align the two bracket halves in a horizontal orientation, ensuring the tabs lock into place.

2. Insert the large locking screws with the spring washers and tighten them securely.

3. Position the bracket around the vertical pole and attach the bottom cover.

4. Select the appropriate screw length according to your pole's diameter:

- **M6 x 30 mm** for 20–32 mm poles
- **M6 x 40 mm** for 33–42 mm poles
- **M6 x 55 mm** for 43–50 mm poles

5. Tighten the mounting screws evenly until the bracket is securely clamped to the pole. Insert the mounting tube into the bracket.

6. Feed the Starlink® Mini cable through the Starlink® Mini pipe adaptor.
Note: Installation requires the Starlink® Mini pipe adaptor supplied with the original Starlink® Mini kit.

7. Slide the Starlink® Mini pipe adaptor onto the mounting tube until it clicks securely into place.

8. Check that the Starlink® Mini pipe adaptor is fully engaged and securely locked before use.

9. Tighten the rear locking screws to complete the installation to ensure the mount is securely fastened.

WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
