

Product name : ANL FUSE

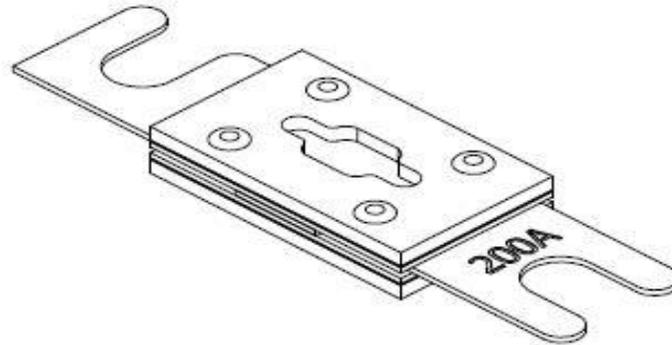

SPECIFICATION :

- * Interrupting ratings: 1000Amp at 32V DC
- * Insulating body: FR 4
- * Strip: Brass / Copper Alloy (Thickness : 0.8mm)
- * Finishing: Gold-plated or Nickel-plated

| Ampere(A) | Voltage(VDC) |
|-----------|--------------|
| 80A | 32V |
| 100A | 32V |
| 150A | 32V |
| 200A | 32V |
| 250A | 32V |

*If changed without any notice advance.

Electrical Characteristic

| % of Rated Amp | Clearing Time |
|----------------|---------------|
| 250% | Max 300 s |
| 100% | Min 4h |
