

SL3738

Camping Lantern

INSTRUCTION MANUAL

BOX CONTENTS

- 1 x Rechargeable LED Lantern
- 1 x Type-C Charging Cable
- 1 x Manual

PRODUCT DIAGRAM

SAFETY & WARNING

- Ensure the work light is fully charged before using it for the first time.
- Disconnect the charger promptly once the work light is fully charged to prevent overcharging
- Place the LED work light in a well-ventilated area.
- Do not open the equipment or touch any of its internal parts.
- Do not expose the charging input socket or cable to water or any other liquids.
- This Camping light uses a high amount of high-lumen LED bulbs.
- The bulbs and cover may become hot after a long period of use.
- To prevent irritation to the eyes and eyesight, don't look directly at the LED bulbs when the lantern is on.
- Do not shine light into the face or eyes
- Please keep out of reach from kids or pets

FEATURES

- 48 LED bulbs gives 2300 lumens. The 48 LED bulbs include 22 soft white LED bulbs, 22 daylight LED bulbs and 4 red LED bulbs. Built-in 5200mAh rechargeable battery.
- 1 fully charged lantern can be used for up to 21 hours. It can also be used as a power bank for charging a smartphone or tablet.
- Advanced design of dimmable lighting. Once the lantern is turned on, Press and hold the On/Off button to adjust the brightness of the lighting. (Dimmer function is not available for red strobe mode)
- The bulb cover can be removed to allow for more focused lighting.
- It also features a lightweight and portable carry size.
- The water-resistant level is IPX5.

USAGE INSTRUCTIONS

Charging:

1. Connect the USB cable provided to the USB charging input on the back of the work light.
2. Connect the USB plug to a USB mains power adaptor (not included) or a USB charging port on a computer.
3. Charging time: 5-6.5 hours
4. The battery level indicator will have all 4 LEDs displayed when fully charged. You can now disconnect the USB charging cable.

For The First Time Use

- Please charge the lantern before first-time use.
- The USB charging cable is included in the package. Not compatible with adapters over 5V.
- The power indicator light shows the battery level as 25%, 50%, 75%, or 100%.
- The power indicator lights are flashing while charging, and the lantern is fully charged when all 4 lights stay on.

WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
