Hanging Camping Light

With 10M Retractable Warm White String Light

Instruction Manual

GENERAL INFORMATION & SAFETY INSTRUCTIONS

- The light source contained in this luminaire shall not be replaced.
- Please fully charge before first use.
- Do not use a modified or damaged charger.
- Please do not turn on the light when charging.
- Please do not leave the lamp charging over 24 hours.
- Please do not disassemble the device and do not replace the batteries.
- Please recharge the lamp every six months when in stock.
- This device utilizes a rechargeable Lithium-ion battery that can rupture, ignite and cause serious injury if being used improperly.

BEFORE FIRST USE

Prior to using your product, please read all the safety and operating instructions thoroughly. Please ensure you follow the steps below before using the product. We recommend you keep the original packaging for storing the product when not in use.

Please pay close attention to the section entitled Important Safety and General Instructions. Find a safe and convenient place to keep this instruction manual for future reference.

Unpack the product but keep all packaging materials until you have made sure your new product is undamaged and in good working order. Ensure you have all accessories listed in this manual. Plastic wrapping can be a suffocation hazard for babies and children so ensure all packaging materials are out of their reach.

| 2. String light power button | 6. Reel handle |
| 3. USB-C charging socket cover | 7. Hanger |
| 4. Retractable string light latch | 8. Retractable string light |

OPERATING INSTRUCTIONS

Charging

To charge the unit, open the charging socket cover (3) and plug the included USB-A to USB-C cable into the light charging socket & a free USB socket.

Front Light

Press the top light power button (1) to cycle the front light between modes. These modes are high, low, red SOS, and off. The modes must be cycled to turn the light off. Please note: Modes must be cycled to turn the light off

String Light

Press the string light power button (2) to cycle through the strip light modes. These are on, flashing, breathing, and off. Please note: Modes must be cycled to turn the light off

Extending & Retracting String Light

To extend the string light, gently pull the string light latch (4) while holding the outer casing of the main light. To retract, carefully turn the reel via the handle (6) anticlockwise until fully retracted.

WARRANTY INFORMATION

Our product is guaranteed to be free from manufacturing defects for a period of 12 Months.

If your product becomes defective during this period, Electus Distribution will repair, replace, or refund where a product is faulty; or not fit for intended purpose.

This warranty will not cover modified product; misuse or abuse of the product contrary to user instructions or packaging label; change of mind and normal wear and tear.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

To claim warranty, please contact the place of purchase. You will need to show receipt or other proof of purchase. Additional information may be required to process your claim.

Any expenses relating to the return of your product to the store will normally have to be paid by you.

The benefits to the customer given by this warranty are in addition to other rights and remedies of the Australian Consumer Law in relation to the goods or services to which this warranty relates.

This warranty is provided by:
